

EI for LEADERS TRAINING AND COACHING COURSE

Impact Statements from Past Participants:

"The course is the beginning of an amazing journey into understanding myself better – especially as a leader! I feel so very affirmed, supported and excited and ready to work with these tools.

"The experiences and knowledge offered in this course far exceeded my expectations."

"I didn't really expect this course would have such an impact. But I learned new skills and had the time to practice and put them to use. This course changed my life! "

"The course was fabulous! I had a very specific goal — building a stronger leadership team — and I've made great progress."

"I have made marked improvement in internal communications and relationship with staff and have now taken decisive action to address a major source of conflict."

"I have improved relationships with staff, better and stronger communication with peers, and I'm better aware of what needs to be done at the board level."

"This course was incredibly valuable. Self-awareness, communication skills, developing language and concepts around change are influencing my personal life and professional life.

"The course was fabulous! I had a very specific goal – building a stronger leadership team - and I've made great progress."

"I absolutely recommend this course to other Executive Directors. It is life changing for my work and in my personal life"

Instructor Statements from Past Participants:

"Jean (Hammink) is phenomenal!! I appreciated her clarity, insight and wisdom."

"This is clearly an area of expertise for the trainer. She demonstrated commitment to reinforce learning and supported the learning in each individually especially in the peer group sessions."

"Jean was present, in control while allowing for flexibility and spontaneity."

"Jean is a gifted educator. She presented information and critique in a gentle yet powerful manner. The quality of training was simply outstanding."

"Jean just kept getting better and better, always consistently demonstrating the depth of her knowledge of this material."

"Jean, as the instructor of this course, was KEY to my learning."

"The individual coaching and small group work done with Jean set this course apart from others."
